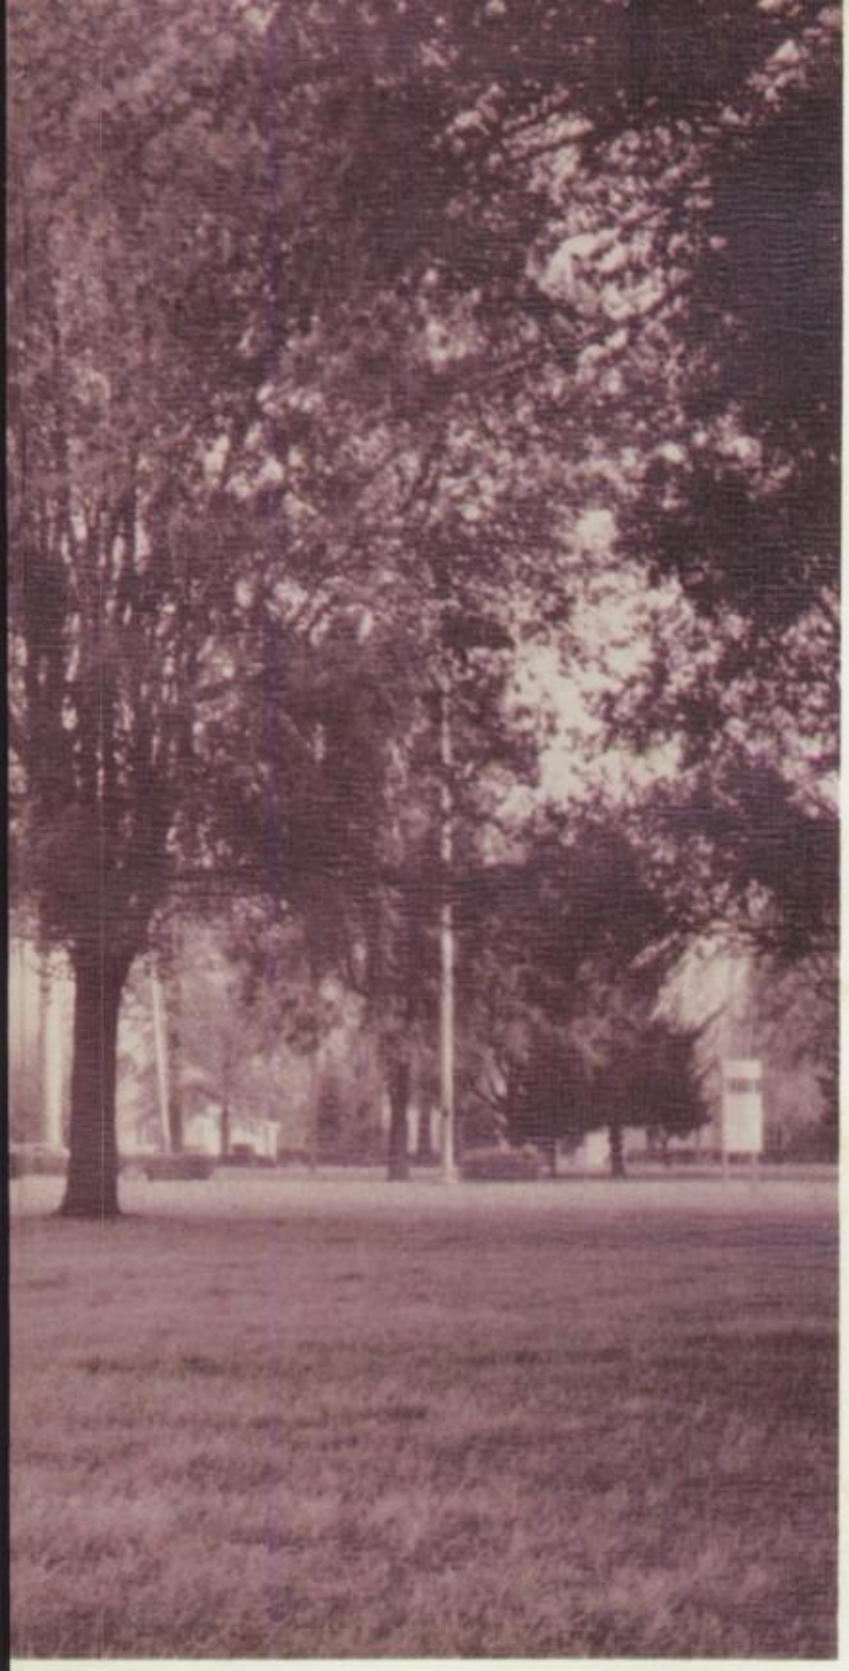
THE 1968 SENIOR CLASS

OF

UPPER SCIOTO VALLEY

PRESENTS THE

SCIOTIAN



ONE DAY AT A TIME

There are two days in every week about which we should not worry . . .

Two days which should be kept free from fear and apprehension.

One of these days is yesterday, with its mistakes and cares, its faults and blunders, its aches and pains. Yesterday has passed forever beyond our control. All the money in the world cannot bring back yesterday. We cannot undo a single act we performed. We cannot erase a single word said. Yesterday is gone!

The other day we should not worry about is tomorrow, with its possible adversities, its burdens, its large promise and poor performance. Tomorrow is beyond our immediate control. Tomorrow's sun will rise, whether in splendor or behind a mask of clouds. But it will rise. Until it does we have no stake in tomorrow, for it is yet unborn.

This leaves only one day . . . today. Any man can fight the battles of just one day. It is when you and I add the burdens of two awful eternities yesterday and tomorrow, that we break down.

It is not necessarily the experiences of today that disturb one's peace of mind. It is oftentimes the remorse or bitterness for something which happened yesterday and the dread of what tomorrow may bring.

Let us therefore live one day at a time.
